

FabACab Fusion: A Better Way to Elevate Interiors

At FabACab, we share a common goal with South Jersey Elevators; we believe in delivering solutions that aren't only functional but thoughtfully designed, efficient to install, and easy to scale.

We're committed to creating both exceptional spaces and exceptional experiences. The partnership with South Jersey Elevators introduces a new standard for residential elevator interiors, removing complexity while enhancing both the installer and homeowner experience. And with countless imagery possibilities available for residential cab interiors, the opportunities for personalisation are virtually endless.

FABACVB

Flexible by design

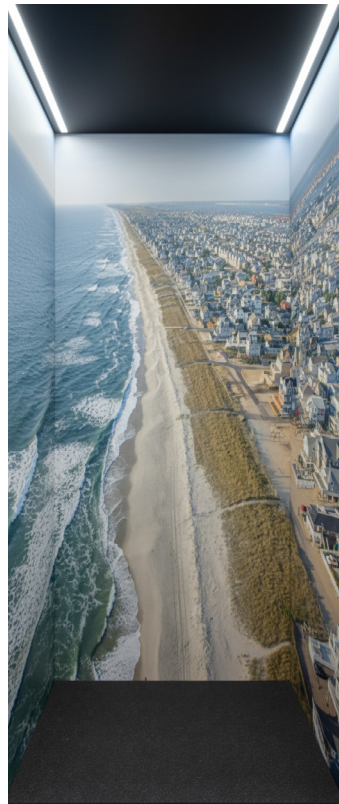

Today's residential buyers expect more than functional elevators – they expect a personalized experience that brings their space to life.

FabACab Fusion creates a clean modern extension of the home, transforming spaces while simplifying the process.

We know there's no one-size-fits-all approach to elevator interiors. Whether it's bringing a customer's favorite artwork to life, showcasing the surrounding landscape or capturing precious family moments, **FabACab Fusion** can be completely tailored to individual projects.

Curated options simplify decision-making while full customizable options are available when needed.

- Single-wall feature applications
- Multi-wall interior transformations
- Ceiling only
- Full cab immersive design
